## Practice Facility

The Federal Club features a nationally ranked practice facility with five spacious bent grass tee boxes totaling over one acre of hitting space. The golfer will immediately feel true golf course conditions while looking out over a fairway strategically designed with seven bunkers and five target greens. There is a putting and chipping green with an approach specifically designed for uphill lob and pitch shots. A deep greenside bunker is placed to fine tune your sand play. At the south end of the range, we offer a 3.5 acre short game area with two target greens, four bunkers and a sprawling fairway. Our short game area was created for every golfer to work on the most important part of the game – the shot from within 40 yards. The Federal Club added a small putting green just off the rear patio of the clubhouse and a championship size putting green located just below the chipping area.

## Event Space

The TFC Clubhouse has a ballroom, fine dining space, outdoor covered patio and boardroom available for your next special occasion, corporate event or family function. We offer an extensive banquet menu from breakfast meetings to retirement luncheons to wedding feasts. No matter the occasion, our staff will make sure your event is truly memorable.

## Food & Beverage

The Federal Club offers casual and fine dining as well as a seasonal poolside grill. As a testament to the quality of our food, there are no food or beverage minimums.

## Spring Creek Golf Club

Spring Creek Golf Club is a nationally recognized golf facility on 125 acres of scenic country just east of Charlottesville, Virginia. Meticulously groomed and ingeniously laid out, Spring Creek unfolds over peaceful rolling hills and woods of the central Virginia Piedmont. Throughout the course, rock walls and bridges emphasize a theme of old-fashioned elegance. Bent grass fairways, beautiful greens and the natural contour of the land help make Spring Creek a unique and exceptional golfing experience.
