

*The Federal Club has the reputation of being one of the finest conditioned golf courses in the state of Virginia. To maintain our conditioning, please adhere to the following course care procedures:*

- When carts are allowed off the cart paths, please keep your cart in the bentgrass fairway and not in our fescue rough.
- When parking your cart on the path, please keep all four tires on the cart path.
- Always enter and exit the bunker on the low side and please leave rakes in bunker when finished raking.
- Please replace your divot. If the divot has scattered or is not replaceable, then use sand mix to fill divot.
- Please repair your ball mark on the putting surfaces and, if possible, at least one other.

Thank you in advance for your care of our wonderful property. We hope that you enjoy your day at The Federal Club

- Scott Graber, PGA
